**Subject:** Docket No 2021-114-E - Orangeburg Solar Projects

To the Parties:

At today's Commission meeting, the Commission voted to set this matter for oral argument, if possible for Tuesday, September 28, 2021 at 10 AM, to seek additional information about the Project. The Motion directed the Hearing Officer to poll the parties to see if this date and time fits with their schedules. If not, the Hearing Officer was directed to set the matter for oral argument at the earliest opening on the Commission's calendar.

As part of the Motion, the Commission stated as follows:

In addition, I ask that the petitioner provide the following additional information related to this matter:

1. Scalable map showing both projects
2. Project footprint, interconnection location and depiction of outer boundary of the property dedicated to this project
3. information on the design size of the facilities and the operational capacity of the facilities.

This gives you an idea of the type of information sought by the Commission. They prefer that this information be provided in document form, prior to oral arguments.

In any event, please advise me as soon as possible if you all are available for oral arguments on Tuesday, September 28, 2021 at 10 am.

Thanks,  
David Butler  
Chief Hearing Officer
